**Illuseum
Berlin**

experience art

At Illuseum Berlin, visitors experience unique art, illusions and digital technologies in an **interactive and entertaining way**, while at the same time their senses and perception are put to the test.

promote creativity

With our diverse range of **workshops**, we invite visitors to dive even deeper into the world of illusions, learn details about art and deception and create their own **creative art work**.

impart knowledge

Our exhibition is designed to inspire young and old and **create a new understanding for society, culture and the environment**. In our guided tours and lectures, we provide impulses that stimulate thoughts and encourage visitors to gain different perspectives and new insights.

Education. But different.

Illuseum Berlin for group and school visits

We offer an environment in which curiosity is awakened. Through **playful learning and hands-on activities**, students broaden their horizons with art and digital technology.

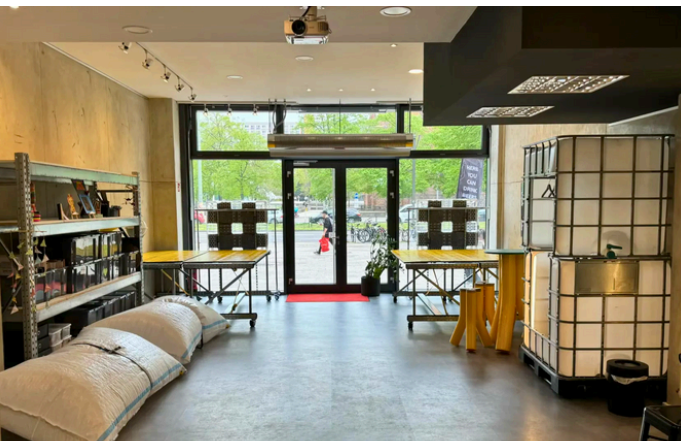

Interactive educational programs:
